PRESENT SITUATION OF THE ENEMY IS GRAVE

Whole Hindenburg Line Is Disintegrating and Orderly Retreat Is Extremely Difficult.

Washington, Oct. 2.—The German grip on Northern France and Belgium has been definitely broken. Even the most cautious military observers in Washington agreed tonight that the Hindenburg line was disintegrating and army officers centered their whole attention on the efforts of the German leaders to extricate their armies without a crushing disaster.

Postpone October 7 Call

On account of an epidemic of influenza in the army camps, Provost Marshal General Crowder has sent out a general order postponing the call of men to the training camps on October 7 until after the influenza epidemic has been checked.

There are 35,000 cases reported at the various camps in the country and about 10 per cent of the cases develop into pneumonia.

There is an epidemic of the disease among the civilian population in some parts of the country. Every possible effort is being made by the physicians of the country to check the disease.

"Ghosts of Yesterday"

You are always satisfied and pleased by a drama depicting the spiritual awakening of a man and a woman and the ripening of a full true love. Then, by all means, be sure to see "Ghosts of Yesterday," the thrilling Select Star Series photoplay, featuring Norma Talmadge, who will appear at the Bijou Theater tomorrow afternoon and night.

As Ruth Grahame, the dove of peace, and later as Jeanne La Fleur, the bird of paradise, Miss Talmadge displays her high artistry in this dual role. Gorgeously produced and superbly acted by an all-star cast, "Ghosts of Yesterday" depicts the spiritual growth of a cabaret singer, the queen of the Bal Tabarin, from a wanton into a loving woman with a heart of true gold. The artist, Howard Marston, feels at first that no one can replace his late wife—for Ruth Grahame had rescued him from the suicide with which he was about to crown a life of dissipation—but later he recognizes the change which had been wrought in Jeanne and learns to love her, as she does him, with "the love which passeth all understanding."

W. R. Browning has received no word from his son, Porter Browning, who was wounded in France in July, and is very uneasy about the young soldier. Porter was with the marines and was probably in the battle of Chateau Thierry.

Mr. and Mrs. Enoch Schneider received a card from their son, Paul M. Schneider, announcing his safe arrival overseas.
